INTRODUCTION

It is the aim of St Christopher School to make the examination experience as successful and stress-free as possible for all candidates.

It is hoped that this booklet will prove informative and helpful for you and your parents. Please read it carefully and show it to your parents so that they are also aware of the examination regulations and the procedures to follow in the event of any problems occurring.

The awarding bodies (formerly known as examination boards) set down strict criteria which must be followed for the conduct of examinations and St Christopher School is required to follow them precisely. You should therefore, pay particular attention to the Notice to Candidates that is printed on the following 2 pages.

Some of the questions you may have are answered at the back of this booklet.

If there is anything you do not understand or any question that has not been addressed, PLEASE ASK.

If you or your parents have any queries or need help or advice at any time before, during or after the examinations please contact:

Examinations Officer – **Sylvester Beecroft**

sylvester.beecroft@stchris.co.uk

Assistant Examinations Officer – **Kathryn White**

kathryn.white@stchris.co.uk

Direct telephone number: **01462 650959**

Or

Room 12 – **Jenny Palmer**

School telephone number: **01462 650850**

Remember – we are here to help.

GOOD LUCK!

AQA City & Guilds CCEA Edexcel OCR WJEC

Notice to Candidates

For written examinations held in the period 1 September 2009 to 31 August 2010

This notice has been written to help you. Read it carefully and follow the instructions.

If there is anything you do not understand, especially which calculator you may use, ask your teacher.

A Regulations – Make sure you understand the rules

- 1 Be on time for all your examinations. If you are late, your work might not be accepted.
- 2 Do not become involved in any unfair or dishonest practice during the examination.
- 3 If you try to cheat, or break the rules in any way, you could be disqualified from all your subjects.
- 4 Only take into the examination room the materials and equipment which are allowed.
- 5 Do not take into the examination room any unauthorised materials or equipment which might give you an unfair advantage.
This includes notes, calculator cases/instruction leaflets, bags, personal TVs/stereos, digital equipment, reading pens, electronic or radio communication devices, **including mobile telephones**, iPods, MP3/4 players and pagers. Any pencil cases taken into the examination room must be see-through. **Remember:** possession of unauthorised material is breaking the rules, even if you do not intend to use it, and you will be subject to penalty and possible disqualification.
- 6 Do not use correcting pens, fluid or tape, highlighters or pale coloured gel pens in your answers.
- 7 Do not talk to or try to communicate with or disturb other candidates once the examination has started.
- 8 If you leave the examination room unaccompanied by an invigilator before the examination has finished, you will not be allowed to return.
- 9 Do not borrow anything from another candidate during the examination.

B Information – Make sure you attend and bring what you need

- 1 Know the dates and times of all your examinations.
- 2 Arrive at least ten minutes before the start of each examination.
- 3 If you arrive late for an examination, report to the invigilator running the examination.
- 4 If you arrive more than one hour after the published starting time for the examination, you may not be allowed to take it.
- 5 Only take into the examination room the pens, pencils, erasers and any other equipment which you need for the examination.
- 6 You must write in black ink. Coloured pencils or inks may be used only for diagrams, maps, charts, etc. unless the instructions printed on the front of the question paper state otherwise.

C Calculators, Dictionaries and Computer Spell-checkers

- 1 You may use a calculator unless you are told otherwise.
- 2 If you use a calculator
 - make sure it works properly; check that the batteries are working properly;
 - clear anything stored in it;
 - remove any parts such as cases, lids or covers which have printed instructions or formulas;
 - do not bring into the examination room any operating instructions or prepared programs.
- 3 Do not use a dictionary or computer spell checker unless you are told otherwise.

D Instructions during the Examination

1 Listen to the invigilator and follow their instructions at all times.

2 Tell the invigilator at once:

- if you think you have not been given the right question paper or all of the materials listed on the front of the paper;
- if the question paper is incomplete or badly printed.

3 Read carefully and follow the instructions printed on the question paper and/or on the answer booklet.

4 Fill in all the details required on the front of the question paper and/or the answer booklet before you start the examination.

5 Remember to write your answers within the designated sections of the answer booklet.

6 Do your rough work on the proper examination stationery. Cross it through and hand it in with your answers.

E Advice and Assistance

1 If on the day of the examination you feel that your work may be affected by ill health or any other reason, tell the invigilator.

2 Put up your hand during the examination if:

- you have a problem and are in doubt about what you should do;
- you do not feel well;
- you need more paper.

3 You must not ask for, and will not be given, any explanation of the questions.

F The end of the Examination

1 If you have used more than one answer booklet and/or any loose sheets of paper, place them in the correct order. Remember to fasten them together with a treasury tag before you leave.

2 Do not leave the examination room until told to do so by the invigilator.

3 Do not take from the examination room any examination stationery, used or unused, rough work or any other materials provided for the examination.

You must stay in the examination room until at least one hour (or a period equal to the duration of the examination if this is less than one hour) after the **published** starting time for each examination.

The invigilator will tell you when you may leave the examination room.

BEFORE THE EXAMINATIONS

STATEMENTS OF ENTRY:

- All Candidates receive a statement of entry from School, generated by the SIMS examinations module. This indicates the subjects for which they are being entered and the tiers of entry, where applicable. Please check that these are correct. Some GCSE subjects have only one tier of entry, some have Foundation and Higher tiers.
- Candidates may also receive statements of entry from the awarding bodies (formerly known as exam boards). You must check everything on your statements of entry very carefully. Particularly check that all personal details (date of birth, spelling of names) are accurate as these will appear on certificates and it may be difficult to change them once certificates are awarded.

AWARDING BODIES

- The School uses the following awarding bodies: AQA, Edexcel, OCR and WJEC.

CANDIDATE NAME:

- Candidates are entered under the name format supplied via the SIMS data checking sheet when the pupil joined the School.

CANDIDATE NUMBER:

- Each candidate has a four-digit candidate number. This is the number you will enter on examination papers. It will appear with your name on seating plans and examination registers.

UCI:

- In addition to a candidate number, each candidate must have a Unique Candidate Identifier (12 figures and 1 letter) which is shown on the top of statements of entry. The first five figures will usually be our Centre Number (17423) unless you have transferred from another school that had already issued your UCI. Your UCI is used for administration purposes and it is not necessary for you to remember it.

TIMETABLES:

- A copy of the School's GCSE timetable 2010 is included at the back of this booklet. You will also receive an individual timetable showing your own specific examinations with details of date, time and duration of exam, and venue. Check it carefully. If you think something is wrong see Sylvester Beecroft in Room 12 immediately.
- A few candidates may have a clash where two subjects are timetabled at the same time. The School will make special timetable arrangements for these candidates only. You must check your individual timetable and see Sylvester Beecroft if you are unsure what to do. If you think there is a clash on your timetable that has not been resolved, please see Sylvester Beecroft immediately.

EQUIPMENT

- It is your responsibility to make sure you have all the correct equipment before your examinations. The School is under no obligation to lend you equipment. Check the regulations in the Notice to Candidates and the information on the following pages.

DURING THE EXAMINATIONS

EXAMINATION REGULATIONS

- A copy of the "Notice to Candidates", which is issued jointly by all the awarding bodies, is printed at the front of this booklet. All candidates must read this carefully and note that to break any of the examination rules or regulations could lead to disqualification from all subjects. The school must report any breach of regulations to the awarding body.

ATTENDANCE AT EXAMINATIONS

- Candidates are responsible for checking their own timetable and arriving at school on the correct day and time, properly equipped. Candidates must arrive 10 minutes prior to the start time of their examination. Please wait quietly outside your exam room until you are invited to enter by the examination invigilators.
- Candidates who arrive late for an examination may still be admitted and will receive additional time. **If, however, you arrive more than 30 minutes late your paper may be rejected by the awarding body.** If you think special consideration may apply then you must speak to the Examinations Officer (see ABSENCE FROM EXAMINATIONS).
- All items of equipment, pens, pencils, mathematical instruments, etc. should be visible to the invigilators at all times. You must use either a transparent pencil case or a clear plastic bag.
- Pens should be **black** ink or ballpoint. No ink-erasers or correction pens are allowed.
- For Mathematics and Science exams, students should make sure their calculators conform to the examination regulations. If in doubt, check with your teacher. Remove any covers or instructions and make sure batteries are fresh.
- Please make sure that any watch alarms are turned off.
- Do not attempt to communicate with or distract other candidates.
- Examination regulations are very strict regarding items that may be taken into the examination room (see FAQs at the end of this booklet). If you break these rules you will be disqualified from the examination.
- **Mobile telephones MUST NOT BE ACCESSIBLE TO CANDIDATES IN THE EXAMINATION ROOM.** If a mobile phone (or any other type of electronic communication or storage device) is found in your possession during an examination (even if it is turned off) it will be taken from you and a report made to the appropriate exam board. No exceptions can be made.
- Water is allowed in the examination rooms. Labels must be removed from bottles. Sweets which can be eaten without distracting others are allowed at the discretion of the invigilator.
- Please do not write on examination desks. This is regarded as vandalism and you will be asked to pay for any damage.

- Do not draw graffiti or write offensive comments on examination papers – if you do the examiner may refuse to accept your paper.
- Listen carefully to instructions and notices read out by the invigilators – there may be amendments to the exam paper that you need to know about.
- Check you have the correct question paper – check the subject, paper and tier of entry.
- Read all instructions carefully and number your answers clearly.
- Candidates must stay in the examination room for at least one hour after the published start time of the exam (or for the duration of the exam if it is less than one hour). You will not be allowed to leave an examination room early. If you have finished the paper use any time remaining to check over your answers and that you have completed your details correctly.
- At the end of the examination all work must be handed in – remember to cross out any rough work. If you have used more than one answer book or loose sheets of paper ask for a tag to fasten them together in the correct order. Make sure you have named and numbered them.
- Invigilators will collect your exam papers before you leave the room. Absolute silence must be maintained during this time. Remember you are still under examination conditions until you have left the room.
- Question papers, answer booklets and additional paper must NOT be taken from the exam room.
- Remain seated in silence until told to leave the examination room. Please leave the room in silence and show consideration for other candidates who may still be working.
- If the **fire alarm** sounds during an examination the examination invigilators will tell you what to do. Don't panic. If you have to evacuate the room you will be asked to leave **in silence** and in the order in which you are sitting. You will be escorted to a designated assembly point. Leave everything on your desk. You must not attempt to communicate with anyone else during the evacuation. When you return to the exam room do not start writing until the invigilator tells you to. You will be allowed the full working time for the examination and a report will be sent to the awarding body detailing the incident.

INVIGILATORS

- For most examination sessions the invigilators will be drawn from the teachers who would normally have been teaching the year group concerned. The School occasionally employs external invigilators to conduct some examinations. Students are expected to behave in a respectful manner towards all invigilators and follow their instructions at all times.
- Subject specialist teachers will normally be present at the start of an examination only.
- Invigilators are in the examination rooms to supervise the conduct of the examination. They will distribute and collect the examination papers, tell

candidates when to start and finish the examination, issue five-minute warnings, hand out extra writing paper if required and deal with any problems that occur during the examination, for example if a candidate is feeling ill.

- Please note that invigilators cannot discuss the examination paper with you or explain the questions.
- Pupils who are disruptive or behave in an unacceptable manner will be removed from the examination room by invigilators and/or members of the Senior Management Team.

ABSENCE FROM EXAMINATIONS

- If you experience difficulties during the examination period (e.g. illness, injury, personal problems) please inform school at the earliest possible point so we can help or advise you.
- Only in exceptional circumstances are candidates allowed special consideration for absence from any part of an examination. It is essential that medical or other appropriate evidence is obtained on the day by the candidate/parent and given to the Examinations Officer without delay in all cases where an application is to be made for special consideration. A self-certification form (JCQ/ME Form 14) can be obtained from the Examinations Officer and this can be countersigned by your doctor or nurse.
- For the award of a grade by special consideration, where a student misses part of an examination through illness or personal misfortune, a minimum of 35% of the examination (including coursework) must be completed.
- Parents and candidates are reminded that the School will still require payment of entry fees should a candidate fail to attend an examination without good reason and without informing the School.
- Please note that misreading the timetable will not be accepted as a satisfactory explanation of absence.

AFTER THE EXAMINATIONS

NOTIFICATION OF RESULTS

- **GCSE** Results will be available for collection from the School Office on **Tuesday 24 August** from 10:30 a.m.
- If you wish any other person (including family members) to collect your results on your behalf, you must give your written authorisation to school.
- Candidates who do not collect their results on the day will receive notification through the normal post. Letters will be posted on results day.
- Results may be requested by telephone, but please be aware that this will be a very busy time for School Office staff.

POST RESULTS

- If you need post-results advice, some members of teaching staff will be available on results day.

ISSUE OF CERTIFICATES

- Certificates will be issued by the Awarding Bodies in November. Pupils must collect their certificates from the school office. Certificates will only be sent by Recorded Delivery to those candidates no longer at the School. In either case candidates will be required to complete a form stating that they have taken receipt of their certificates.

FREQUENTLY ASKED QUESTIONS

Q. What do I do if there's a clash on my timetable?

- The school will re-schedule papers internally (on the same day) where there is a clash of subjects. Candidates will normally sit one paper then have a break during which they will be supervised and must not have any communication with other candidates. They will then sit the second subject paper. Correct times should be on your individual candidate timetable. In rare cases it may be necessary to reschedule a paper for the following day. If this happens, there are confidentiality issues for the overnight period which must be addressed. If you are affected in this way your parents will be involved and will be contacted by the Examinations Officer well in advance. If in any doubt consult the Examinations Officer.

Q. What do I do if I think I have the wrong paper?

- Invigilators will ask you to check before the exam starts. If you think something is wrong put your hand up and tell the invigilator immediately.

Q. What do I do if I forget the school Centre Number?

- The Centre Number is **17423**. It will be clearly displayed in the examination rooms.

Q. What do I do if I have an accident or am ill before the exam?

- Inform school at the earliest possible point so we can help or advise you. In the case of an accident that means you are unable to write it may be possible to provide you with a scribe to write your answers but we will need as much prior notice as possible.
You may need to obtain medical evidence (from your GP or hospital) if you wish the School to make an appeal for special consideration on your behalf (see below).

Q. What is an Appeal for Special Consideration?

- Special consideration is an adjustment to the marks or grades of a candidate who is eligible for consideration. The allowance for special consideration is from 0% (consideration given but addition of marks considered inappropriate) to 5% (reserved for exceptional cases). Parents should be aware that any adjustment is likely to be small and no feedback is ever provided. Candidates will only be eligible for special consideration if they have been fully prepared and covered the whole course but performance in the examination or in the production of coursework is affected by adverse circumstances beyond their control. Examples of such circumstances may be illness, accident or injury, bereavement, domestic crisis. The Examinations Officer must be informed immediately, so that the necessary paperwork can be completed (within 7 days of the last exam session for each subject) and the candidate will be required to provide evidence to support such an application.

Q. What do I do if I feel ill during the exam?

- Put your hand up and an invigilator will assist you. You should inform an invigilator if you feel ill before or during an exam and you feel this may have affected your performance.

Q. If I'm late can I still sit the examination?

- Provided you are not more than 1 hour late, it **may** still be possible for you to sit the examination. You should get to school as quickly as possible and report to Room 12. A member of staff will escort you to the exam room. You **must**

not enter an examination room without permission after an examination has begun. It may not be possible to allow you any extra time if you start the examination late.

You should also be aware that if you start the exam more than 30 minutes after the published starting time, the School must inform the exam board and it is possible that the awarding body may decide not to accept your work. Please ensure that you allow enough time to get to school so that if you are delayed (e.g. through transport problems) you will still arrive on time.

Q. If I miss the examination can I take it on another day?

- No. Timetables are regulated by the awarding bodies and you must attend on the given date and time.

Q. What equipment should I bring for my exams?

- You should bring at least 2 pens (**black** ink or ballpoint only).
- For Mathematics, pencils must be used for diagrams and graphs.
- For some exams you will need a calculator (Maths/Science), a 30cm ruler (marked with cm and mm), pencil sharpener and rubber, compasses, protractor, coloured pencil crayons (**not** gel pens), set texts (e.g. for English Literature).
- You are responsible for providing your own equipment for examinations. You must not attempt to borrow equipment from another candidate during the examination.

Q. What items are not allowed into the examination room?

- Only material that is listed on question papers (e.g. an anthology) is permitted in the examination room and students who are found to have any material with them that is not allowed will be reported to the appropriate examinations board. In such circumstances, a student would normally be disqualified from the paper or the subject concerned.
- Bags and coats and any other items not permitted under examination regulations must be left in the care of the invigilators at the front/back of the room.

Q. Why can't I keep my mobile telephone on me inside the exam room?

- Being in possession of a mobile phone (or any other electronic communication device, e.g. MP3 player, headphones) is regarded as cheating and is subject to severe penalty from the awarding bodies:

The minimum penalties are as follows:

Device found on you and turned **ON** - **disqualification for the entire subject award.**

Device found on you and turned **OFF** - **disqualification from the specific paper** you are sitting at the time.

Phone rings during the exam **wherever it is in the room** - the exam board must be informed and you will be **disqualified from all papers for the subject (including any already taken).**

Q. How do I know how long the exam is?

- The length of the examination is shown in minutes on your individual timetable under the heading "duration". Invigilators will tell you when to start and finish the exam. They will write the start and finish times of the exam on a board at the front of the exam room. There will be a clock in all examination rooms.

Q. Can I leave the exam early?

- It is a requirement of the exam boards that you must stay in the examination room for at least one hour after the published start time of the exam (or for the duration of the exam if it is less than one hour). It is not the School's policy to allow candidates to leave the exam room early, as this is disruptive to other candidates. A candidate may not leave the examination room without the permission of the invigilators.

Q. What do I do if the fire alarm goes?

- The examination invigilators will tell you what to do. If you have to evacuate the room leave everything on your desk and leave the room in silence. You must not attempt to communicate with any other candidates during the evacuation.

Q. Can I go to the toilet during the exam?

- If it is absolutely necessary. You will be escorted by an invigilator.

Q. Why do I need to check the details on the Statement of Entry?

- The details on your Statement of Entry will be used when certificates are printed. If the name or date of birth on your certificates does not match your birth certificate it could cause you problems if you are asked to show your certificates to a potential employer for college/university at some time in the future. You should also check that the subjects and tiers of entry you are entered for are correct and that no subjects are missing.

Q. What are Modular Exams?

- Most pupils in IV and V Group (Yrs 10 + 11) are taking Modular Science and Modular Mathematics. This means taking written examinations on sections of the syllabus at intervals throughout the course as well as final examinations in the summer of V Group. It is possible to retake modules if advised to do so by your teacher. It is important that pupils complete all the requisite modules, as marks will contribute towards their final grade at GCSE.

Q. I am entitled to extra time – how will this affect the way I take my exams?

- Some students receive an allowance of up to 25% extra time. Where possible such candidates will be seated together to minimize disturbance from other candidates who finish earlier. The invigilators will include the additional time when they display the finishing time of your exam on the board.

Q. What do I do if I don't get the grades I expected?

- Teaching staff will be available to advise you on results day. If you feel strongly that it is necessary to make an enquiry about your result you should first consult the Head of Department to obtain their advice as to the advisability of requesting a re-mark. You should be aware that your mark could go down as well as up or even stay the same. An information sheet explaining post-results services more fully will be included in your results envelope. Re-mark requests must be submitted to the Examinations Officer by Friday 10 September. You must complete a Candidate consent form and return it with a cheque to cover the cost (n.b. the cost of a clerical re-mark in September 2009 was around £45).

**This notice has been produced on behalf of:
AQA, City & Guilds, CCEA, Edexcel, OCR and WJEC
Notice to Candidates
GCSE: Controlled Assessments and Coursework**

**This notice tells you about some things that you must, and must not, do when you are completing your work.
Before you submit any work for marking, you will be asked to sign an authentication statement confirming that you have read and followed these regulations.**

If there is anything that you do not understand, you **must** ask your teacher. Controlled Assessment will provide you with an opportunity to do some independent research into a topic. The research you do may involve looking for information in published sources such as textbooks, encyclopedias, journals, TV, radio, and on the internet. Using information from published sources (including the internet) as the basis for your assignment is a good way to demonstrate your knowledge and understanding of a subject, but you must take care how you use this material - you cannot copy it and claim it as your own work.

**The regulations state that:
"the work which you submit for assessment must be your own";
"you must not copy from someone else or allow another candidate to copy from you".**

If you use the same wording as a published source, you must place quotation marks around the passage and state where it came from. This is called "referencing". You must make sure that you give detailed references for everything in your work which is not in your own words. A reference from a printed book or journal should show the name of the author, the year of publication and the page number, for example: (Morrison, 2000, pg.29). For material taken from the internet, your reference should show the date when the material was downloaded and must show the precise web page, not the search engine used to locate it. This can be copied from the address line. For example:
(<http://www.bbc.co.uk/schools/16/sosteacher/history/49766.shtml>), downloaded 12 February 2010.

You may be required to include a bibliography at the end of your work. Your teacher will tell you whether a bibliography is necessary. Where required, your bibliography must list the full details of publications you have used in your research, even where these are not directly referred to, for example: Morrison, A. (2000) "Mary, Queen of Scots", London: Weston Press.
If you copy the words or ideas of others and don't show your sources in references and a bibliography, this will be considered as cheating.

Preparing your work – good practice

If you receive help and guidance from someone other than your teacher, you **must** tell your teacher who will then record the nature of the assistance given to you. If you worked as part of a group on an assignment, for example, undertaking field research, you must each write up your own account of the assignment. Even if the data you have is the same, the description of how that data was obtained and the conclusions you draw from it should be in your own words.

You must meet the deadlines that your teacher gives you. Remember - your teachers are there to guide and assist you — showing them your work as it progresses will allow you and your teacher time to sort out any problems before it is too late.

Take care of your work and keep it safe. Don't leave it lying around where your classmates can find it.

You must always keep your work secure and confidential whilst you are preparing it; do not share it with your classmates. If it is stored on the computer network, keep your password secure. Collect all copies from the printer and destroy those you don't need.

Don't be tempted to use essays from online essay banks — this is cheating. Electronic tools used by awarding bodies can detect this sort of copying.

Plagiarism

Plagiarism involves taking someone else's words, thoughts or ideas and trying to pass them off as your own. **It is a form of cheating which is taken very seriously.**

Don't think you won't be caught; there are many ways to detect plagiarism.

Markers can spot changes in the style of writing and use of language.

Markers are highly experienced subject specialists who are very familiar with work on the topic concerned — they may have read the source you are using (or even marked the essay you have copied from!).

Internet search engines and specialised computer software can be used to match phrases or pieces of text with original sources and to detect changes in the grammar and style of writing or punctuation.

Penalties for breaking the regulations

If your work is submitted and it is discovered that you have broken the regulations, one of the following penalties will be applied:

the piece of work will be awarded zero marks;

you will be disqualified from that unit for that examination series;

you will be disqualified from the whole subject for that examination series;

you will be disqualified from all subjects and barred from entering again for a period of time.

Your awarding body will decide which penalty is appropriate.

REMEMBER – IT'S YOUR QUALIFICATION SO IT NEEDS TO BE YOUR OWN WORK
