

Open Day

The School is situated on a 35-acre Garden City campus. The Montessori Nursery, Junior and Senior Schools are housed in their own buildings for teaching and learning, with their own specialist staff. As part of a larger school, students enjoy the benefits of a well-equipped estate that contains extensive grounds, a sports hall, indoor pool, fitness suite, tennis courts, a 180-seat theatre, drama studio, plus purpose-built ICT, Art/Design and Music Centres.
